

15th January 2025

Dear Parent/Carer

I wanted to make you aware that we have updated the [Safeguarding page](#) of our school website with some guides for parents on the following categories:

- Facebook
- Fortnite
- Instagram
- Managing Screen Time
- Minecraft
- Snapchat
- Squid Game
- TikTok
- Tips for online safety
- X (Twitter)

These guides are produced by a group called National Online Safety, and are designed to help you monitor your child's online activity.

We will add to this list as time goes on, and we'll also be publishing new guides on our [X page](#), so please do subscribe to that. If there are any other apps or online activity that you would like assistance with, please don't hesitate to contact the school.

Yours sincerely

Jonathan Mellor
Headteacher
